

**Prayer of Dedication (Offering)**

by Audrey deCoursey

Communing and Communicating God,  
You put signs in the sun, moon, stars,  
and on the earth all around us.

Raise our heads up to see these signs  
and take our gifts as part of our covenant  
to keep looking for signs of you.

Bless these gifts brought to you this day  
and bless us to continue your work of resisting  
injustice, oppression, and evil.

Amen.
